Charlton Township Planning Commission meeting minutes 6-3-2015

Meeting called to order by chairman Mike Colosimo @ 7:00 P. M..

All members present.

No others present.

Recited Pledge of Allegiance.

Moved by Walt Keskinie to approve minutes as presented for meeting held on 4-8-15, supported by Keith Huff, motion carried.

We discussed what to do when we receive CD's from other adjoining counties, and/or townships with updates to their master plans or recreation plans. It was decided not to do anything , except to keep them in our file drawer at the Charlton Township office. Possibly to review them when we upgrade our master plan or decide to write a recreation plan. (Robert Fleury took the three that we now have, to review them at home)

Willard reported that the Otsego County Planning Commission voted not to approve the changes to Fr & AR district front setback at their 5-18-15 regular meeting.

We decided to cancel our July and August, 2015 regular meetings and only hold a meeting if something comes up that we have to act on.

Road maintenance was discussed and decided that we needed to put this on future meeting agenda.

Meeting adjourned at 8:15 P. M..

Respectfully submitted by secretary Willard Brown
