

Charlton Township Planning Commission Special meeting minutes January 20, 2011

This meeting was called to meet with Wade Trim representative to go over plans for them completing Charlton Township's Master Plan.

Meeting called to order by Chairman Mike Colosimo @ 7:00 P.M.

Recited Pledge of Allegiance.

Present: Mike Colosimo, Willard Brown, Robert Fleury, Walt Keskin, and Keith Huff.

Matt Nowak Charlton Township Supervisor was at the meeting for about the first half hour.

One guest present: Mark Robinson from Wade Trim.

Keith Huff moved to approve January 12, 2011 regular meeting minutes as presented, supported by Walt Keskin, unanimously approved.

Mark Robinson told Matt Nowak that he needed his help as township supervisor. New aerial photos of Otsego county were taken in 2010, but Otsego county equalization director would not release them to Wade Trim without Township supervisor requesting them to do so. Matt said he would call them.

New 2010 census also to be a part of the master plan.

Mark Robinson presented us with an agenda of their plans to finish our master plan. Much discussion took place with very good open communication between Mark and the planning commission members.

Mark gave each of us a colored land use map of Otsego county.

Mark will email a sample letter that needs to be sent to all adjacent Townships to Willard Brown so Willard can notify all adjacent townships of our intentions of doing a master plan. Mark will also send Willard names and addresses of who should get the notice.

Mark will have a schedule of public meetings that must be held for us at our regular meeting on February 9, 2011.

Meeting adjourned at 9:00 P.M.

Respectively submitted by secretary Willard Brown
