Meeting called to order by chairman Mike Colosimo @ 7:00 P.M.

Members present: Walt Keskin, Mike Colosimo, Robert Fleury, Keith Huff, And Willard Brown.

No others present.

Recited Pledge of Allegiance.

Moved by Keith Huff and supported by Robert Fleury to accept minutes of 1-11-2012 regular meeting as presented, motion carried.

Moved by Keith Huff and supported by Walt Keskin to recommend that the Charlton Township Board should approve the changes to section 18.25 (Mining, gravel, sand clay, top soil, marl) as presented by the Otsego County Planning Commission dated 11-21-2011, motion carried.

Much discussion on the Louis M. Groan Nature Preserve Ordinance. Some of the concerns were: Where restrooms were going to be located and how many? Trash containers, where? Possibly caution signs on Gingell and Waters roads. Smoking was listed as prohibited, but why not all tobacco products, drugs, alcoholic beverages and etc?.

A recreation plan was suggested by Robert Fleury so the township could apply for government grants to make improvements. After much discussion it was decided that this was action that would have to be taken by the Charlton Township Board if they so desired.

Robert Fleury brought up that there was going to be a training session at Treetops on 4-11-2012 that we should consider attending. Keith Huff was to discuss with the Charlton Township Board at their budget meeting on 3-15-2012, as the early bird special of \$79 had to be in by 3-27-2012.

Meeting adjourned at 9:03 P.M.

Respectively submitted by secretary Willard Brown
